

CPSIA Compliance

Chavant is a participating member of the Art and Creative Materials Institute (ACMI). We participate in a product safety verification program through ACMI, which is administered by the Toxicology Department of Duke University Medical School. The standards set forth through this program meet or exceeds guidelines established by the Consumer Product Safety Improvement Act (CPSIA) of 2008.

For more information on ACMI's product safety certification program, visit their website at www.acminet.org
