Chavant is dedicated to manufacturing the finest modeling products in the world. It is our goal to educate and technically support clients. Thank you for the opportunity to offer these services.

Helpful Suggestions for Ordering Chavant Modeling Clay

Before Ordering Clay Please Select:

- Specific **Clay Product** name
- **Color**
- **Billet size** (cylinder or block); "Billet" size will not effect clay characteristics or per pound price
- **Quantity** based on Full Case Net weight, dependent on billet sizes chosen

Also Note:

- Each item option, listed above, is detailed in the Chavant Product Guide, published separately.
- Chavant modeling clays are priced by the pound and are sold in full cases only.
- The net weight of full cases will vary dependent on the packaged Billet size.
- **LESS-THAN-CASE QUANTITIES:** See Distributor Locations on Inside Back Cover of Product Guide or visit www.chavant.com for a complete listing of Distributors.
- General rules exist but personal preference typically guides the ultimate clay selection.
- Sample kits are recommended for evaluation of subjective characteristics.
- Freight Charges are not included in this price list.
- Of course, Chavant will be happy to answer any questions that you may have.

Pricing and Conditions of Sale

QUANTITY DISCOUNTS

The weights of all similar products being ordered may be combined to obtain the best price in each category.

TERMS

Net 30 on Credit Approval.

Advance Payment Prior to Credit Approval.
